

Once you have filled out the initial Carbon Action Plan questionnaire, both a percentage and star rating will appear on your Carbon Action Plan tab.

These scores are based off of your answers to the questionnaire, we award 1, 2 or 3 stars depending on both the number and type of actions you take.

In order to score higher & reduce your impact, reassess your answers on the questionnaire and see if there are any changes you can make.

Carbon Action Plan Score		
Star Rating	Score	Explanation
---	Below 55%	The production needs a minimum of 55% of actions in the carbon action plan to gain certification. If you score below, your CAP will be sent back to you. You will be able to change your answers at this stage, in order to score higher.
★	55%	This is the minimum compliance with the carbon action plan, including all mandatory questions.
★ ★	70%	The higher your score, the more evidence questions will be required.
★ ★ ★	85%	Anything above 85% will be rewarded with 3 stars and is the highest achievement for your production.
